Sheet 2,3,4

Name *WV*Date *5/10*

Title

Description

Components / Operations

- ① Caged select
- ② Tooltip
- ③ One map to look at, shaded.
- ④ Information
Explain
text

Pro & Cons

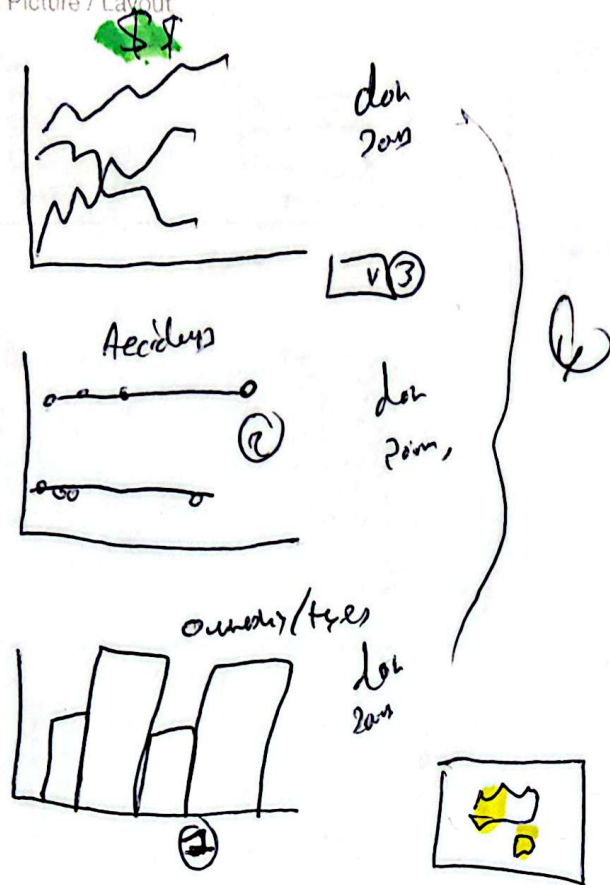

~~Pros:~~

- Broad & understandable
- Combines data to be joined

Cons:

- can be too much on one graph
- Not as intuitive.

Big Picture / Layout

Parti / Focus

Focus on areas of transition in
seeing → story

May not as central in case
of misunderstanding

Static graphs so not as
much (badly)
